## Question 1

**Question: What was the US reaction to the Black Lives Matter movement?**

**System's response:**

The U.S. reaction to the Black Lives Matter movement included some states, like Louisiana, responding by adding police officers and firefighters to their state hate crime statute, often aligning with the "Blue Lives Matter" movement. "Blue Lives Matter" emerged as a pro-police response to concerns raised by the Black Lives Matter movement about police brutality. This response was driven by concerns about perceived anti-police rhetoric from the Black Lives Matter movement.
